The inaugural session was held at 10.30 am. The session started with lighting the lamp to Goddess Ma Saraswati. The program was followed by welcome to all the dignitaries present on dais.

Dr. P.C. Choubey emphasized the significance of this workshop in light of how quickly both the world and higher education are changing. He stated that in this time improving quality is the main goal, which can be accomplished by participating in NAAC assessment. As a result, Raipur division government institutions are urged to participate in NAAC assessment. He continued by saying that this training will help us to complete out the AQAR in a more efficient manner.

Dr. C.L. Dewangan informed the house that 165 Chhattisgarh government colleges had completed NAAC accreditation. In light of Chhattisgarh's performance, the NAAC Bangalore has awarded a special award to the state for achieving first place in the country. He also focused on that all the stakeholders are responsible for ensure the quality of any institution.

Dr. G.A. Ghanshyam informed in his plenary session that Chhattisgarh's higher education department has attained a gross enrollment ratio of 23%, which is expected to reach 50% by 2035. He also focused on how NAAC accreditation for 165 government colleges was done via good planning, administration, and implementation. He stated that our goal is to transition from quality education to healthy education.

The second session focused on how activities (teaching and extracurricular) are organized in institutions to provide quality education and stressing the need for careful collation of data, in accordance with NAAC parameters.

For this Dr. V.K. Joshi of Govt. Radha Bai Naveen Kanya Mahavidhyalay, Raipur threw light on criterion 1 Curricular Aspects and criterion 2 Teaching-Learning and Evaluation. He commented on launching of diverse variety of courses that are in relate with career orientation, multi-skill development, local demands, as well rising national and global trends too. He also

focused on Student Satisfaction Survey (SSS). For Criterion II he emphasized on the efficiency of the teaching techniques that used to incessantly evaluate the performance of teachers and students also.
