Date :- 16.02.2023

Registration :- Registration for the seminar was facilitated both in online and offline modes. Altogether **155** participants including faculty members, Research scholars and students from Chhattisgarh and other states got registered themselves to attend this national seminar.

Inauguration Ceremony -

The National Seminar on “Current Trends and Prospects in Botany” was inaugurated on 16.02.2023 at 10:30 am at Rajeev Pandey Auditorium. The Chief guest of this inaugural session was honorable Dr. Keshri Lal Verma, Kulpati, Pt.Ravi Shankar Shukla University, Raipur (C.G.) and Special guest was Shri Arun Kumar Pandey (IFS), Member Secretary ,Chhattisgarh Biodiversity Board, Raipur (C.G.). Dr. M.L. Naik, Ex Professor& Head SOS in life Science, Pt.Ravi Shankar Shukla University, Raipur also shared the dais. The inauguration session was presided over by Dr. P.C.Choubey, Principal Govt. NPG College of Science, Raipur (C.G.) and patron of this seminar. The seminar was inaugurated by lighting the lamp before Maa Saraswati followed by melodious saraswati vandana sung by the post graduate students of Botany. The Chief guest Dr. K.L. Verma emphasized on the need of such seminars. The special guest Shri Arun Kumar Pandey highlighted the need of biodiversity conservation. The Souvenir was also released by the guests on this occasion. The vote of thanks was delivered by Dr. N.B. Singh, co-convener of the seminar. The programme of this inaugural session was conducted by Dr. Suneeta Patra, organizing secretary of this seminar.

Key Note Address

A Keynote address was delivered by Dr. L.B. Choudhary, Ex - Senior Principal Scientist, Plant Diversity Systematic and Herbarium Division, CSIR - National Botanical Research Institute, Lucknow (U.P.) on “Biodiversity and Sustainable Development An Overview” Dr. Chaudhary elaborated the concept of biodiversity and emphasized on the need of preservation and Conservation of biodiversity. He also insisted to develop sustainable technology to govern the uses of biodiversity following rules and regulations as well as periodic assessment on regional and global scale to safe guard the biodiversity. In his presentation he discussed three levels of biodiversity and biodiversity hot spot regions in India. Biodiversity forms the very basis of human survival and their economic well being. He covered the preservation and conservation of biodiversity by explaining different *in situ* and *ex situ* techniques.

Technical Session I- In this session two invited talks were delivered. Dr.Sudhir Kumar Pandey from Department of Botany, School of Studies in Life Science, Guru Ghasidas Vishwavidyalaya (Central University), Bilaspur (C.G.) delivered an invited talk on “Current Trends in Phytomonitoring of Airborne Particulate Matter (PM) Associated Metals and Their

Phytoremediation” .The talk covered development in particulate matter phytomonitoring techniques and related hazardous metals in areas with high levels of pollution, Dr. Pandey also discussed the current state and future potential of size fractional phytomonitoring of airborne particulate matter and particulate matter bound metals.

In this technicals session second invited talk was delivered by Dr.S.K.Jadhav, Professor, SOS in Biotechnology, Pt. Ravishankar Shukla University ,Raipur on “ AtmosphericFungal Diversity of Chhattisgarh”, In this study Dr. Jadhav isolated and identified more than 215 atmospheric fungal types with dominance of Deuteromycotina . Such studies benefit the environment and ecosystem by providing the data needed to understand the fungal diversity is different seasons in chhattisgarh.

This technical session was chaired by Dr. K.K.Sahu, Professor & Head, SOS in Biotechnology , Pt. Ravishankar Shukla University ,Raipur (C.G.) and Dr. A.K. Shrivastava, Assistant Proffesor from Govt.College, Utai (C.G.)

Technical Session II -

In technical session II an invited talk was delivered by Dr.D.K.Shrivastava, Assistant Professor of Botany, Govt.ERRPG Science College, Bilaspur on “Diversity of Cyanobacteria as potential options for Environment Sustainability”. He discussed about the role of cyanobacteria as alternative source of energy, as nitrogen fixer, as healthy food source, as biofertiliser and as an industrial strain. He elaborated on cyanobacterial diversity in Chhattisgarh.

This session was chaired by Dr. Priti Tiwari, Principal, Govt.College,Birgaon and Dr. Rekha Pimpalgaonkar Ex Professor & Head of Botany, Govt NPG College of Science, Raipur (C.G.)

Technical Session III

Dr.T. Shrinivasu, Ex.Professor & Head, Department of Botany, RTM University, Nagpur (Maharashtra) in Technical session III delivered his lecture on “ Electronic Herbarium. A novel Technology for Digital Database Preparation of Angiosperm plants of Maharashtra . He discussed of electronic herbarium as the need of an hour to enhance sharing, distribution and transmission of knowledge for sustainable utilization and cultivation of angiosperm plants for future prosperity. It also helps to manage and conserve the knowledge of plants as well as on teaching and learning research and development.

In this session second invited lecture was delivered by Dr.Satish B Verulkar on “Micro RNA, Ribo-switches and CRISPR Technologies”. He discussed about the functional importance of Micro RNA, Ribo- Switches and clustered Regularly interspaced short palindromic repeats (CRISPR).

The session was chaired by Dr. P.K. Saluja, Assistant Professor of Botany, Govt. DBPG Girls College Raipur and Dr. Pragya Kulkarni Assistant Professor Govt. VYTPG Autonomous College, Durg.

Technical Session IV -

This session comprised of Oral Presentation as well as Poster Presentation.

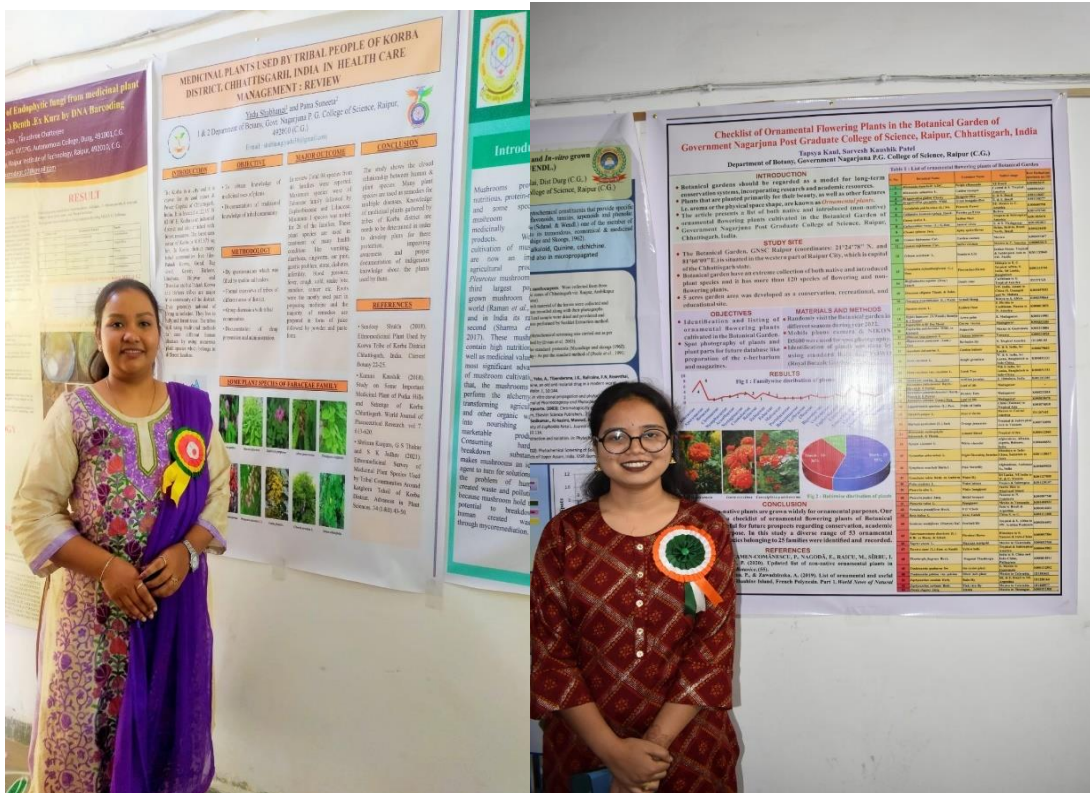

Oral presentation - In this session 08 Research Scholars presented their Research paper through Power Point Presentation. The session was chaired by Dr. Avinash Kumar Sharma, Assistant Professor of Botany, Govt. College, Abhanpur And Dr. Vaibhav Acharya, Assistant Professor of Botany .Govt. DBPG Girls College, Raipur.

Poster Presentation - Poster presentation session was carried out in corridor wall of Botany Department. Altogether 09 participants presented their work in this poster session.

The poster session was chaired by Dr. Smriti Chakravarty Professor& Head Of Botany Department, Govt. J.Y. Chhattisgarh College, Raipur and Dr. Priti Shrivastawa, Head of Botany Department, Govt. Radha Bai Naveen Kanya Mahavidyalaya, Raipur (C.G.)

DAY – 2, 17.02.2023 FRIDAY

09:30 -10:30 am

TECHNICAL SESSION 5

10:30 – 11:30 am

TECHNICAL SESSION 6

11:30 – 12:15 pm

TECHNICAL SESSION 7

12:15 – 1:00 pm

TECHNICAL SESSION 8

1:00 - 1:45 pm

1:45 - 2:30 pm

TECHNICAL SESSION 9

2:30 – 3:00 pm

TECHNICAL SESSION 10

3:00 – 4:00 pm

4:00 – 5:00 pm

VALEDICTORY FUNCTION

Technical Session V -

The fifth technical session began on 17.02.2023 with oral presentation. Seven participants presented their research work through power point presentation. The session was chaired by Dr.J.N. Verma, Professor& Head of Botany, Govt. DBPG Girls college, Raipur and Dr. S.K.Verma Assistant Professor Department of Botany, Govt J .Y. Chattisgarh College, Raipur (C.G.)

Technical Sessions VI -

In this technical session DR.D.K. Kapgate, former Head, Botany Department J.M. Patel College, Bhandara (Maharashtra) delivered on invited lecture on “ Palaeovegetation and Environmental analysis of Deccan Intertrappean beds of central India and the nature and types of flora and fauna in this belt”. The radiography of the fossil evidences were also displayed by him which were highly appreciated by the audience.

This session was chaired by Dr.Avinash Kumar Sharma , Assistant Professor of Botany, Govt. K.H. College, Abhanpur and Dr. Bhawna Pandey, Head of Biotechnology Department, Bhilai Mahila Mahavidyalaya, Bhilai (C.G.)

Technical Session VII -

Dr. M.P. Thakur , Dean, RSV College of Agriculture and Research Station, Indira Gandhi Krishi Vishwavidalaya, Bemetara (C.G.) delivered an invited talk in technical session - VII, on “ Current Status of Mushroom Diversity, Conservation and Exploration for Human Consumption”, Dr. Thakur discussed the biochemical and physiological aspects of Mushroom, their biological active compounds for exploration of herbal medicines, He insisted on the need to sensitize, motivate and convince the youth to take up mushroom cultivation to a large scale so that they may become job providers rather than job seekers.

This session was chaired by Dr.Arti Guhe, Professor& Head, Department of Plant Physiology, IGKV, Raipur and Dr. Kavita Sharma, Head Department of Botany, Govt. Arts, Science & Commerce College, Devendra Nagar, Raipur (C.G.) .

Technical Session VIII -

In the eighth session DR. M.L.Naik, Ex. Professor & Head, SOS in Life Sciences, Pt. Ravi Shankar Shukla University, Raipur (C.G.) on “Current Trends and Prospects in Botany” Dr. Naik pointed out that in Botany most of the studies are focussed on molecular to sub molecular level but there are many studies which are required to be carried out at macro level. He emphasized on Carbon Sequestration and ecosystem services. This session was chaired by Dr. Veenapani Dubey, Ex. Professor & Head, CMD College Bilaspur (C.G.) and Dr. Rekha Pimpalgaonkar, Ex. Professor & Head, of Govt. NPG College of Science, Raipur (C.G.)

Technical Session IX -

In this technical session an invited talk was delivered by Dr. Veenapani Dubey Ex. Professor & Head, Department of Botany, CMD College Bilaspur (C.G.) on “Weed Management in Rice. A need for Sustainable food Security in Chhattisgarh, India” . She emphasized on the challenges to sustain food security by developing production technologies for rain fed areas as it plays an important role in meeting the demand of food in future. Her presentation was focussed on weeds as serious impediments to crop growth and productivity, The session was chaired by Dr. Vaibhav Acharya ,Assistant Professor Of Botany, Govt. DBPG Girls College Raipur and Dr. Shriram Kunjam, Assistant Professor Of Botany, Govt VYT PG Autonomous College, Durg (C.G.).

Technical Session X-

This was a session of oral presentation .07 participants presented their research paper through power point presentation . The session was chaired by Dr. Pratiksha Pandey, Head Department of Botany, Bhilai Mahila Mahavidyalaya and Dr. Govardhan Thakur, Assistant Professor of Botany, Govt VYTPG Autonomous College, Durg (C.G.)

Valedictory Function - The valedictory function of 2 days National Seminar was held on 17th February, 2023. Dr. M.L. Naik, Ex Professor & Head, SOS in Life Sciences, Pt.Ravi Shankar Shukla University was the Chief Guest, Dr. Amit Dubey, Senior Scientist, Chhattisgarh Council Of Science & Technology graced the function as Special Guest. Dr.P.C.Choubey, Principal, Govt NPG College of Science presided over this valedictory session. Dr.P.C. Panda, Ex. Professor of Botany, Govt. VYTPG Autonomous College Durg was also present and shared the dais as Special Guest. Dr. R.Diwan, Convener of the seminar summarized the events of the seminar and acknowledged all those who contributed to the success of the seminar .Few of the participants gave their feedback on the seminar. Dr. M.L. Naik, Chief Guest of this Valedictory session delivered his speech on the sustainable use of the natural resources and prospects for future research in the field of Botany, Dr. M.L. Naik appreciated the organizers for their commendable teamwork. Dr. P.C. Choubey, Principal Govt. NPG College of Science, Raipur also appreciated the efforts and the teamwork of Botany department. Certificates to the winners of Poster and oral Presentations were given to the participants Winners were honoured by receiving Cash prize along with Certificates Additionally Dr. Priti Tiwari, Principal, Govt College, Birgaon gave away the Cash prize to Ku. Drishti Verma who acquired first position in oral presentation. Mementos were presented by the Principal Sir to all the revered Guests. Vote of thanks was given by Dr. Sangeeta Bajpai, coconvener of this seminar.

The 2 days National Seminar ended by reciting the National Anthem.

बॉटनी के करेंट ट्रेन्ड पर हुई साइंस कॉलेज में राष्ट्रीय संगोष्ठी

शासकीय नागार्जुन स्नातकोत्तर विज्ञान महाविद्यालय में हुआ आयोजन

नवभारत रिपोर्टर। रायपुर।

शासकीय नागार्जुन स्नातकोत्तर विज्ञान महाविद्यालय रायपुर के वनस्पति शास्त्र विभाग द्वारा 16-17 फरवरी 2023 को 'करेंट ट्रेन्ड्स एंड प्रोस्पेक्ट्स इन बॉटनी' विषय पर दो दिवसीय राष्ट्रीय संगोष्ठी का आयोजन किया गया।

संगोष्ठी के प्रथम दिन मुख्य अतिथि के रूप में कुलपति, पंडित रविशंकर शुक्ल विश्वविद्यालय रायपुर डॉ. के. एल. वर्मा एवं विशेष अतिथि आईएफएस, सदस्य सचिव छत्तीसगढ़ स्टेट बायोडायवर्सिटी बोर्ड, रायपुर अरुण पांडे थे। कार्यक्रम की अध्यक्षता महाविद्यालय के प्राचार्य डॉ. पी. सी. चौबे ने की।

संगोष्ठी में मुख्य अतिथि प्रोफेसर के. एल. वर्मा ने कहा कि इस संगोष्ठी के माध्यम से छत्तीसगढ़ राज्य की वनस्पतियों के संवर्धन एवं उनके विकास तथा हर्बल

वनस्पतियों के उपयोग के लिए जागरूकता फैलाने नवीन विचार एवं दृष्टि मिलेंगी। इस अवसर पर स्मारिका का विमोचन भी किया गया। डॉ. पीसी चौबे ने संगोष्ठी के आयोजन की बधाई दी।

पहले दिन सांइटिस्ट नेशनल बोटैनिक्ल रिसर्च इंस्टीट्यूट, एनबीआरआई, लखनऊ डॉ. एल.बी. चौधरी ने आधार वक्तव्य दिया। गुरु घासीदास विधि, बिलासपुर के डॉ. सुधीर कुमार पांडे, पं. रविशंकर रायपुर के डॉ. एस. के. जाधव, विज्ञान महाविद्यालय सीपात, बिलासपुर के प्रो. डी. के.

श्रीवास्तव, पूर्व आरटीएम विभागाध्यक्ष, नागपुर के डॉ. टी. श्रीनिवासु, प्रोफेसर एवं विभागाध्यक्ष इंदिरा गांधी कृषि विश्वविद्यालय रायपुर के डॉ. सतीश वेरुलकर द्वारा सारगर्भित व्याख्यान प्रस्तुत किया गया। प्राध्यापकों, शोधार्थियों एवं छात्र-छात्राओं ने अपने अनुसंधान कार्यों को मौखिक एवं पोस्टर के माध्यम से प्रस्तुत किया।

संगोष्ठी के दूसरे दिन विषय विशेषज्ञ पेलियोबोटनी, जेएमपटेल कॉलेज भंडारा महाराष्ट्र के डॉ. डीके कपगटे, डीन इंदिरा

गांधी कृषि विश्वविद्यालय बेमतरा डॉ. एमपी ठाकुर, पूर्व प्राध्यापक एवं विभागाध्यक्ष जैविकीय अध्ययनशाला पंडित रविशंकर शुक्ल रायपुर डॉ. एम. एल. नायक, पूर्व अध्यक्ष, सीएम दुबे पीजी कॉलेज बिलासपुर वीणापाणी दुबे द्वारा व्याख्यान दिए गए।

संगोष्ठी के समापन पर अतिथि डॉ. एम. एल. नायक, वैज्ञानिक छत्तीसगढ़ विज्ञान एवं प्रौद्योगिकी परिषद डॉ. अमित दुबे एवं प्राचार्य डॉ. पी. सी. चौबे थे। संगोष्ठी को सफल बनाने में विभागाध्यक्ष वनस्पति शास्त्र डॉ. रुपिन्द्र दीवान, डॉ. विमलकुमार कानूनगो, डॉ. एन. बी. सिंह, डॉ. संगीता बाजपेई, डॉ. सुनीता पात्रा, डॉ. दीक्षा खरे, डॉ. कृतिका नामदेव, ओमप्रकाश मेरावी, रेणुका सिन्हा, जगमोहन साहू, शोधार्थी सर्वेश कोशिक पटेल, गौरव नाग, शुभांगी, हेमशिखा और देवनायराय के साथ एमएससी वनस्पति शास्त्र विभाग के छात्र-छात्राओं का विशेष योगदान रहा।

Seminar on Botany held

■ Staff Reporter
RAIPUR, Feb 18

A NATIONAL seminar on 'Current trends and prospects in Botany' was organised by Department of Botany, Government Nagarjuna PG (Autonomous) College of Science, Raipur. Convener of the seminar was Dr R Diwan, organising secretaries Dr V K Kanungo and Dr Suneeta Patra, co-conveners Dr Sangeeta Bajpai and Dr N B Singh.

Dr K L Verma, Vice-Chancellor, Pt Ravishankar Shukla University, Raipur was the Chief guest. Arun Pandey (IFS) was the Special guest and principal Dr P C Choubey was the chairman of the inaugural function.

Asouvenir was also released on this occasion. The keynote address was given by Dr L B Choudhary from NBRI Lucknow. In the technical sessions Dr Sudhir Pandey, Dr S K Jadhav, Dr D K Shrivastava, Dr T Shrinivasu from Nagpur, Dr Satish Verulkar of IGKV Raipur, Dr D K Kappgate, Paleobotanist from Bhandara, Dr M P Thakur, Dr M L Naik and Dr Veenapani Dubey gave talks.

There were 3 oral presentation and 1 poster presentation sessions for participants.

Best three oral and poster

Dignitaries lighting the traditional lamp to inaugurate the seminar.

presentations were given certificates and cash prizes and one consolation prize was given for the poster presentation as well. First prize for oral presentation was sponsored by Dr Preeti Tiwari and rest of the prizes were sponsored by organising department.

In the valedictory function the Chief guest was Dr M L Naik, special guest Dr Amit Dubey Scientist CGCOST and Chairman was Dr P C Panda.

The feedback of the seminar was given by the participants. Faculty members of department and other departments and from different colleges were present in this occasion.

There were near about 200 participants and delegates from all over India and 70 abstracts were submitted for the souvenir.

National-level seminar held in Science College

Raipur, Feb 18: A national seminar on 'Current Trends and Prospects in Botany' was organized by Department of Botany, Govt. Nagarjuna PG (Autonomous) College of Science, Raipur, on Feb 16 sponsored by CGCOST. The patron of this seminar was principal Dr P.C. Choubey, convener Dr R. Diwan, organizing secretaries Dr VK Kanungo and Dr Suneeta Patra, co-conveners Dr Sangeeta Bajpai and Dr N.B. Singh, Dr KL Verma Vice Chancellor Pt. R.S.U., Raipur was the chief guest, Arun Pandey (IFS) was the special guest and principal Dr P.C Choubey was the chairman of the inaugural function.

Souvenir was also released on this occasion. The keynote address was given by Dr. L.B. Choudhary from NBRI Lucknow. In the technical sessions of Feb 16-17 the invited talks were given by Dr. Sudhir Pandey, Dr. SK Jadhav, Dr. DK Shrivastava, Dr. T. Shrinivasu from Nagpur, Dr. Satish Verulkar IGKV Raipur, Dr. DK Kappgate Paleobotanist from Bhandara, Dr. MP Thakur, Dr. ML Naik and Dr. Veenapani Dubey. There were 3 oral presentation and 1 poster presentation sessions for participants. Best three oral and poster presentations were given certificates and cash prizes and one consolation prize was given for

the poster presentation as well. First prize for oral presentation was sponsored by Dr Preeti Tiwari and rest of the prizes were sponsored by organizing department. In the valedictory function the chief was Dr ML Naik, special guest Dr Amit Dubey Scientist CGCOST and Chairman Dr P.C.Panda. The feedback of the seminar was given by the participants. Faculty members of department and other departments and from different colleges were present in this occasion. There were near about 200 participants and delegates from all over India and 70 abstracts were submitted for the souvenir.

INVITATION

We cordially invite all the faculties, industrialists, environmentalists, researchers and students who are engaged in various fields of researches in Botany to the "National Seminar on Current Trends and Prospects in Botany" scheduled to be organized on 16th-17th February, 2023 in Department of Botany, Government Nagarjuna Post Graduate College of Science, Raipur, Chhattisgarh. This National Seminar aims to provide a platform to all researchers to share their ideas for the betterment of mankind. The deliberations in seminar are supposed to upgrade our knowledge and scientific temperament. The presentations of budding scientists may give a way to new innovative research. Organizing Committee welcomes you and looking forward to meet you in the seminar.

ABOUT RAIPUR CITY

Raipur is the capital of Chhattisgarh state in India. It is located about 300 meters above mean sea level. City has historical and archaeological importance. City is situated on Mumbai Kolkata rail line 300 kilometers away from Nagpur city in east direction. City is well connected by road in Air to all the major cities of India. In February climatic conditions remain very pleasant. Normal clothing and other outfit will suit to the condition.

ABOUT THE COLLEGE

The Government Nagarjuna P.G. College of Science, Raipur is a single faculty Autonomous Science College established in the year 1948, affiliated to Pt Ravishankar Shukla University, Raipur. Both core and applied subjects are taught in the college. College offers undergraduate degree in combination with 15 science subjects while post graduate degree in 11 of the science subjects. College is recognized Research Center of Pt Ravishankar Shukla University Raipur. Presently more than 2900 students are enrolled in the UG and PG classes and 27 students are conducting research in different disciplines.

ABOUT BOTANY DEPARTMENT

Botany department has been working since the establishment of the college in 1948. Post graduate classes were started in the year 1954 and with that the research activities also started in the department. The department was recognized as a Research Center soon after establishment of university in 1963. So far more than 100 scholars have been awarded Ph.D. degree from the department.

Presently researches are conducted in the fields of Mycology, Environmental Biology, Phycology, Pathology, Ethnobotany, Aerobiology, Limnology Tissue Culture and Phytochemistry etc.

ABOUT THE NATIONAL SEMINAR

The two days national seminar on "Current Trends and Prospects in Botany", will be organized with the following aims and objectives:-

1. Knowledge of current trends of research in Botany.
2. Discover the innovative ideas to incorporate with Botanical researches.
3. Identification of potential areas where Botanical researches have future prospects.
4. Finding prospects of plants in all works of life.
5. Conservation of Traditional Knowledge of medicinal plants.

6. Prospects in drug designing, preparation and administration methods.

THEMES OF NATIONAL SEMINAR

1. Phyto-diversity and Conservation
2. Plant Biotechnology
3. Plant Cell Biology
4. Plant Development
5. Plant Breeding
6. Plant Physiology
7. Phytochemistry
8. Ethnobotany
9. Biofuels
10. Mycology
11. Phytoremediation
12. Ecosystem and sustainable development
13. Environmental Impact Assessment
14. Green Technology.
15. Nanotechnology

CALL FOR ABSTRACTS, POSTERS AND FULL PAPER

Abstract of original research work should be submitted in 500 words written in Times New Roman font size 12 spacing 1.5 in relation to above mentioned theme. Manuscript of full-length paper should be submitted in Ms word under following headings.

Author's name, Affiliated institutions name, e-mail of the author, Introduction, Materials and Methods, Results and Discussion and References. Detailed paper should consist of abstract of the work. Entire text should be written in Times New Roman, font size heading 14, running material 12 font size with spacing 1.5.

POSTER PRESENTATION

Poster size will be of 1x1.5m consisting headings like Title, Introduction, Materials and Methods, Results and Discussion, Conclusion and References.

PUBLICATION OF FULL-LENGTH PAPER

Full length paper will be published in Seminars Proceeding on additional payment of Rs. 1000/- Entire text should be written in Times New Roman, font size heading 14, running material 12 font size with spacing 1.5.

REGISTRATION FEE

Category	On or before 10 th Feb 2023	After 10 th Feb. 2023
Faculty/Scientists	1500/-	1800/-
Research Scholars	1000/-	1200/-
P.G. Students	500/-	700/-

Registration can be done by on line as well as off line mode.

1. Account No. : 10071038197
2. Name in favour of : Principal
3. IFSC code : SBIN0002852
4. Name of Bank : State Bank of India, NIT Br. Raipur

REGISTRATION LINK

रायपुर, दिनांक 2 फरवरी 2023

—: संदेश :-

मुझे यह जानकर बड़ी प्रसन्नता हुई कि 16 तथा 17 फरवरी 2023 को शासकीय नागार्जुन स्नाकोत्तर विज्ञान महाविद्यालय रायपुर द्वारा वनस्पति विज्ञान में 'वर्तमान पद्धतियां और सम्भावनाएं' विषय पर राष्ट्रीय सेमिनार का आयोजन किया जा रहा है। इस अवसर पर स्मारिका भी प्रकाशित की जाएगी।

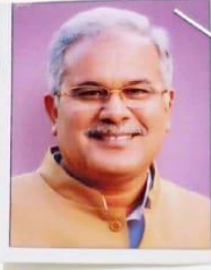

वनस्पति विज्ञान विभाग द्वारा आयोजित इस सेमिनार में देशभर से आये वनस्पति शास्त्र के विशेषज्ञ द्वारा महत्वपूर्ण जानकारीयां साझा की जायेगी। वनस्पति विज्ञान के विद्यार्थियों को इस क्षेत्र में हो रहे नवाचारों, शोध सहित अनेक तथ्यात्मक जानकारीयां प्राप्त होगी।

राष्ट्रीय सेमिनार के आयोजन तथा स्मारिका के प्रकाशन के लिए मेरी हार्दिक शुभकामनाएं।

MESSAGE

It is great pleasure that Department of Botany, Government Nagarjuna Post Graduate College of Science, Raipur (C.G.) is organizing a National Seminar on “Current Trends and Prospects in Botany” on 16th and 17th of February, 2023.

I think that this seminar offers delegates from various sections of the nation a chance to discuss their ideas and examine effective, safe, and trustworthy research in plant sciences across the nation. Additionally, it provides a forum for botanists from all around the country to engage closely and stay current on emerging problems in the field.

I send my warmest congratulations and best wishes to the Principal, Convenor, and the entire team for the success of this National Seminar and the hope that it will result in new findings that will benefit all humankind.

I wish for the grand success of this seminar.

MESSAGE

I feel immense pleasure that Botany department of the college is organizing a National Seminar on "Current Trends and Prospects in Botany" on 16th and 17th of February 2023. The college is celebrating its diamond jubilee year of establishment. I am assured that organization of seminar will provide a platform to faculty members, researchers, scientists and students of the country to share their knowledge about the trend of research work proceeding throughout the world and what are its prospects in Chhattisgarh. As the Chhattisgarh state is a herbal state its rich plant resource and diversity novel and innovative research ideas discussed in the seminar will be helpful in preserving and conserving the plant resource of the state. The judicious, meaningful methods and technique of exploitation of plant resource will lead the humanity towards the sustainable development.

I am very much pleased to welcome all the invitees and participants to the oldest college of Science and hope the stage in Raipur will become a memorable time for everyone.

I extend my greetings and best wishes for the seminar that it will achieve its aim of learning and sharing of knowledge.

MESSAGE

It is indeed a great privilege and moment of immense pleasure for me to welcome you all to the National Seminar on "Current Trends And Prospects In Botany" to be organised on 16TH and 17TH of February, 2023 by the Department of Botany, Government NPG College of Science Raipur (C.G.) and sponsored by Chhattisgarh Council of Science and Technology. The seminar will cover the different aspects of plant science like Plant Diversity, Plant Development, Plant Physiology, Plant Pathology, Taxonomy, Biochemistry, Plant Biotechnology, and all aspects included in the brochure. The main purpose of organizing this seminar is to share and enhance the knowledge of plant science in this fastmoving information era. This seminar will bridge out the platform to bring the researchers and academicians together to achieve the purpose of seminar.

All the participants will get an opportunity to present and exchange novel research ideas and share their expertise by healthy interactions in the technical sessions. This National Seminar will surely help the researchers and academia to upgrade their knowledge and scientific temperament in the varied branches of Botany. I welcome all delegates participating in these two days. National Seminar. The department and the college is trying its level best to make this Seminar a memorable one and facilitate the participants to explore and share new ideas emerging out in the plant science. Thanks to all the participants who are contributing to the success of the seminar.

MESSAGE

It is indeed a memorable day and a matter of great pleasure for us that a two-days National seminar on "Current trends and prospects in Botany" is being organized by Department of Botany, Govt. N.P.G. College of Science, Raipur, C.G. on 16-17 February 2023. It is the right platform to bring academicians, researchers from different parts of country under one roof to discuss and to achieve the purpose of this seminar. Botany is one of the world's oldest natural sciences. This seminar shall cover all the different aspects of Botany like taxonomy, anatomy, plant pathology, plant breeding, microbiology, plant physiology, plant biochemistry, ecology, cytology, genetics, cytogenetics, molecular biology and plant biotechnology enlisted in the brochure. It will set up a platform for spreading light of the recent technologies in the area of Plant Sciences and enable us to grow by way of learning from knowledge reserves and absorbing expertise from treasury of learned academicians. Everyone will have opportunity to showcase, present and exchange research ideas and share new knowledge and thoughts, by healthy interactions in the technical sessions. This seminar has brought together leading Scientists in Plant Biology from various parts of the country and focused on some of the basic questions and constraints that need to be answered in depth considering the contemporary global thinking and developments.

We welcome all the delegates coming from all over the country for participating in the seminar and exercising painstaking effort in making this conference successful. Through this conference we will put all our effort to drive to expertise in exploration, identification and evaluation of plants, conservation of nature and natural resources and in the protection of endangered plant species. We are trying our best to ensure that your time and stay in the city of Raipur, Chhattisgarh during the seminar be one of the most memorable one and you go back with rich information. We thank each one of you who are contributing to the success of the seminar.

JOURNEY OF THE BOTANY DEPARTMENT

Botany department has been at the forefront of this college since its establishment in the year 1948. After the college shifted to the new building in 1954, the department of Botany with its well-equipped laboratories and learned faculty members continues to service its cause in the teaching and research in botanical sciences. The department has been blessed to get the leadership of 18 learned head of the departments. Their determination to the excellence in academics and devotion to their duties put the department on the path of glory and success.

Pioneer of the department was Prof C M Velekar who laid the foundation of the department followed by Prof P N Gyansagar under whose dynamic leadership, academic research, particularly in the area of embryology, became the hallmark of the department. He also started the tradition of compulsory Botanical Tour for the post graduate students for the collection of plants in the state and out of the state.

In 1956, Post-graduation study was started in the department and in the same year for the first time the Botanical Society was constituted by Prof V B Shukla. During 1958 to 1960 the department received the guidance of Dr N C Verma and Dr N C Pandya. In the year 1961 research in the field of Paleobotany was started and the research papers were published in the reputed journals. Dr R C Agnihotri, a dedicated teacher and committed botanist developed the botanical garden in the premises of the department during 1960 to 1970. He passed on the leadership of the department to a very learned Professor Dr V B Sharma. His vision, and foresighted efforts enabled the department in opening four important optional papers – *plant pathology*, *palaenology*, *paleobotany*, and *grassland ecology*. A wide area around the department was developed as garden where teak plantation was done.

During the 80's the department found the dynamite leadership of Dr B R Verma and Dr R D Das. In the year 1992 the department was headed by Dr K L Tiwari, a very active and dynamic person. It was his full-hearted effort that the department was able to open new vocational courses on *Microbiology* and *Industrial Microbiology*. National level seminar was also organized under his dynamic leadership.

During the period of 1995 to 1999 the department was first time lead by a very kind hearted and courageous lady with full of dynamism and confidence who wrote new pages of development in the history of department Dr Mrs S Joshi.

In the 21st century new era of development began under the leadership of Dr K L Tiwari and Dr S R Ingle, including the new construction in the department, rebuilding of greenhouse, naming of the plants in the botanical gardens, opening of new vocational courses on *Biotechnology*.

Dr Mrs Preeti Tiwari became the head in the year 2012. A national seminar was organized and the department saw a new chapter of growth. Department was privileged to get the leadership of Dr Mrs Rekha Pimpalgaonkar from 2017 to 2020. Under her leadership the department organized National seminars and workshops, further development of botanical gardens, and new optional paper on *Limnology* was launched. Presently, the illustrious leadership of the department is vested in Dr Mrs Rupinder Diwan since 2021.

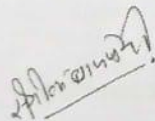

Since the inception of the department the faculty members contributed to high end research work publishing in the reputed journals more than 400 research papers and 50 scholars received their Ph D degree from the department and brought glory to the department. Botany department had a good number of research guides like Dr. R C Agnihotri, Dr. V B Sharma, Dr. R D Das, Dr. M L Naik, Dr. K L Tiwari, Dr. Mrs S Joshi, Dr. M L Sonar, Dr. P Tiwari, Dr. R Pimpalgaonkar, Dr. R Diwan, Dr. V K Kanungo and Dr S Patra.

Department also contributed tremendously to the learning of botanical sciences through a great tradition of writing books and book chapters in Hindi and English. Some illustrious authors from the department were Dr R C Agnihotri, Dr V B Sharm, Dr S K Sharma, Dr R D Das, Dr M L Naik, Dr A K Bansal, Dr M L Sonar, Dr S R Ingle, Dr R Diwan, Dr N B Singh and Dr V K Kanungo.

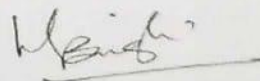

The department has produced some of the great achievers who brought glory and laurels to the department – Dr P C Besen (1968) vice chancellor of Jivaji University Gwalior, Shri Alok Katiyar IFS (1986) and Shri Maske IFS (1992).

The department has been blessed by some of the outstanding teachers of all times –Dr D K Tiwari, Prof H C Gavali, Prof M C Saxsena, Prof L C Singhai, Prof D P Saha, Prof S G Gore, Prof S K Sharma, Prof S R Chaudhary, Prof K C Unni, Prof R K Diwan, Prof P L Vaze, Dr M L Naik, Dr. M L Sonar, Prof J S Kachhwaha, Prof T S Trivedi, Dr A K Bansal, Dr B B More – the department is enriched at all the levels due to their wholehearted devotion. Dr S K Jadhav, Dr. P Shrivastav, Dr. A K Sharma and DR V Kohli have also contributed tremendously towards the growth of the department. Currently Dr Rupinder Diwan, Dr Vimal Kumar Kanungo, Dr Narendra Bahadur Singh, DR Sangeeta Bajpai, Dr Sunita Patra, Dr Diksha Khare, Dr Kritika Namdev, Mr. Om Prakash Maravi, Ms Renuka Sinha and Dr Jagmohan Sahu are serving the department with dedication and devotion to keep the heritage of academic excellence and scholarship alive.

Inspired by the past glory, the department is moving on the path of excellence in the academics and research, this seminar is the result of our commitment to the continuous development of Botanical Sciences and our journey towards continuous excellence.
