# PLACES OF TOURIST IN ATTRACTIONS IN CHHATTISGARH

Chhattisgarh is situated in the Vindhyan hills and on the Deccan plateau in Central India. 44% of its land is covered by forests, hence it is rich in biodiversity, besides various other natural resources that include precious mineral ores.

Chhattisgarh is situated in heart of India. It is gifted with the rich cultural and unique natural diversity. In the State one can find ancient monuments, wildlife sanctuaries, temples, waterfalls, hills and plateaus. The major destinations for tourist are Bastar (Kangar Valley National Park, Kotumsar caves, Chitrakote, Tirathgarh Waterfalls, Danteshwari temple in Dantewada). Sirpur, Bhoramdev, Bamleshwari temple at Dongargarh, Rajim (a well known place for Kumbh). The wild life sanctuaries like Barnawapara, Achanakmaar Tiger reserve, Udanti Wild life sanctuaries and many more are worth visiting. All places are easily approachable from Raipur. The main attractions of the city are Jungle Safari, ponds and temples.

#### ORGANIZING COMMITTEE

Patron : Dr. P.C. Choubey (Principal)

Convenor : Dr. Seema Gupta

Dr. Renu Maheshwari

Co-convenor : Dr. Preeti Mishra

Mrs. Indu Mandrik

Organizing Secretary : Dr. Pallavi Sinha

Joint Secretary : Dr. Kavita Das

Mrs. Gunjan Ojha

Treasurer : Dr Shashi Gupta

Mr. Satish Ramteke

#### SEMINAR REGISTRATION FEES

Category	Registration Fees (Rs)	
	upto 10.06.23	After 10.06.23
Faculty/Scientists	1000/-	1200/-
Research Scholars & Students	500/-	600/-
The accompanying person	800/-	800/-

#### ADVISORY COMMITTEE:

- Shri Rakesh Chaturvedi (Chairman, C.G. State Biodiversity Board, Raipur, Chhattisgarh).
- Shri Arun Kumar Pandey (Member Secretary, C.G. State Biodiversity Board, Raipur, Chhattisgarh).
- Dr. M. L. Naik (Retd. Professor & Head, SOS Life Science, Pt. Ravishankar Shukla University, Raipur).
- Dr. A. K. Pati (Ex. V.C., Gangadhar Mehar University, Sambalpur, Odisha).
- Dr. S.K. Malhotra (Retd. Professor, Dept. of Zoology, University of Allahabad, Prayag Raj).
- Dr. Samrat Mondal (Scientist E, Wildlife Institute of India, Dehradun, UK).
- Dr. A. K. Gupta (Professor, SOS Life Science, Pt. Rayishankar Shukla University, Raipur).
- Dr. R.K. Agarwal (Retd. Principal Govt. College Ariunda, C.G.).
- Dr. S.K. Prasad (Professor, SOS Life Science, Pt. Ravishankar Shukla University, Raipur).
- Dr. S.K. Jadhav (Professor, SOS Life Science, Pt. Ravishankar Shukla University, Raipur).
- Dr Aditi Poddar (Professor & Head, SOS Life Science, Pt. Ravishankar Shukla University, Raipur.
- Dr. Arti Parganiha (Professor, SOS Life Science, Pt. Ravishankar Shukla University, Raipur).
- Dr. H.K.S. Gajendra (Asst. Prof, Dept. of Zoology Govt. P.G College, Kasdol).
- Dr. Ajit Hundet (Professor & Head, Dept. of Zoology, Govt. D.B Girls PG College, Raipur).
- Dr. Maya Shedpure (Professor Dept. of Zoology, Govt. D.B Girls PG College, Raipur).
- Dr. Anil Shrivastava (Professor & Head, Dept. of Biotechnology, Govt. VYTPG College, Durg, CG).
- Dr. Rashmi Sao, (Professor& Head Dept. of Zoology, Govt. E. Raghvendra Rao PG Science College, Bilaspur).
- Dr. Shubhda Rahalkar (Professor& Head Dept. of Zoology, Goyt, Bilasa Girls PG College, Bilaspur).
- Dr. Parmita Dubey (Assistant Professor, Head Dept. of Zoology, Govt. J.Y. P.G. Chhattisgarh College, Raipur.
- Dr. Rohit Seth (Associate Professor, Dept. of Zoology, GGU, Bilaspur).

## NATIONAL SEMINAR ON

"Impact of Environment on Biodiversity"

27th & 28th June, 2023

ORGANIZED BY
DEPARTMENT OF ZOOLOGY
GOVERNMENT NAGARJUNA
POST GRADUATE COLLEGE OF SCIENCE
RAIPUR (C.G.) 492010

SPONSORED BY
CHHATTISGARH STATE BIODIVERSITY BOARD
RAIPUR, (C.G.)

#### REGISTRATION LINK

https://forms.gle/WHytHN6gg5CMtW8j8 https://chat.whatsapp.com/J1sQSZPvwONHpiDcYRreXT

#### ABOUT RAIPUR CITY:

Raipur is the capital of Chhattisgarh State. Chhattisgarh State is rich in floral and faunal diversity, besides various other natural resources that include precious mineral resources. It is an important industrial and educational hub. The higher education includes, Pt. Ravishankar Shukla University, NIT, Pt. J.N.M. Medical College, AIIMS, IIM, Indira Gandhi Agriculture University, Kushabhau Thakre Journalism and Mass Communication University, Amity University, Kalinga University and MATS University.

#### ACCESS TO RAIPUR:

Raipur is located on Mumbai Howrah railway route and is well connected by road National Highway 6 and National Highway 43. The airport of the city is Swami Vivekanand Airport in Atal Nagar, Nava Raipur, Chhattisgarh and is well connected with all main cities of the country.

#### **ABOUT THE COLLEGE:**

The Government Nagarjuna P.G. College of Science is single faculty Autonomous and lead college of Raipur District. It was founded in 1948 and is affiliated to Pt. R. S. University. It has a well-developed infrastructure with 14 UG and 11 PG departments. The college offers the Undergraduate Degree with 15 combinations. The 10 departments of the college are recognized as Research Center. The vision of the college is to produce proud Indian Citizens, who adhere to the Constitution of India, and have a deep sense of responsibility towards enhancing India's unique identity and legacy through Indian Knowledge System and indigenous skills; to produce financially independent youth; to produce global citizens with 21st century skills; to inculcate human values in the youth.

#### ABOUT ZOOLOGY DEPARTMENT:

The Department of Zoology was established in 1948 and offers both Undergraduate and Post graduate programs. The department is also recognized as a Research Centre for Ph.D. under the affiliation of Pt. Ravishankar Shukla University, Raipur. Presently the main thrust area of research is Biodiversity, Fish physiology, Sericulture, Entomology, Animal Behaviour, Immunology and Environmental Biology. The department has organized several National and International Conferences in online and offline mode.

#### INVITATION:

The Department of Zoology, Government Nagarjuna Postgraduate College of Science, Raipur Chhattisgarh cordially invites you to participate in the National Seminar on "Impact of Environment on Biodiversity".

#### ABOUT THE NATIONAL SEMINAR:

The proposed seminar will provide a platform to discuss the pros and cons of environment on biodiversity. It will also address the management and remedy of environmental pollution so that the biodiversity can be conserved. The proposed seminar will allow the budding researchers to share their work and will motivate towards the novel ideas in the field of environment and biodiversity.

### The proposed seminar will cover the following topics:

- Environment, biodiversity, and its conservation strategies.
- 2. Environmental pollution and organismal health.
- 3. Waste management and Bioremediation.
- 4. Sustainable and Renewable Energy Resources.
- 5. Recent trends in animal science research.
- 6. Millet: Food for Humans and Animals.

#### CALL FOR ABSTRACTS:

Abstract should be submitted before 05/06/2023.

# INSTRUCTION FOR SUBMITTING ABSTRACTS:

The abstract should include object, methodology, results, conclusion and key words.

- 1. Title in the CAPITALLETTER and Bold
- 2. Name of Author(s), with Institutional
  Affiliation and e-mail id
- An Abstract should be written in Times New Roman, Font size-12, and line space-1.5.
- 4. The abstract should be submitted on e-mail: biodiversitynpg2023@gmail.com

#### POSTER PRESENTATION

Poster size will be of 1x1.5m with headings: Title, Introduction, Materials and Methods, Results and Discussion, Conclusion, References and Photographs.

#### **EMINENT SPEAKERS**

- Prof. M.L. Naik, Raipur (C.G)
- Prof. A.K. Pati, Sambhalpur (Odissa)
- Prof. Sandeep K. Malhotra, Prayagraj (U.P.)
- Dr. Thulasingam Kalaichelvan, Bhilai (C.G)
- Dr. Shantonu Roy, Kolkatta (WB)
- Dr. Samrat Mondol, Dehradun (UK)
- Dr. Ashok Sengupta, Bengaluru (Karnatak)
