2017-18

S.NO.	FEEDBACK point	ACTION TAKEN
1	The college has a large number of Alumni working in all walks of life , they can support significantly in developmental activities of the institution	The alumni association of the institute is to be activated, alumni of the college are to be in constant touch with the progress in college & are to be motivated to contribute significantly as an when required .
2	Student centric methods are to be included in teaching - learning	PG students are given the opportunities to teach in their own classes & some time demonstrate experiments to school children's of nearby schools as a part of their extension work .
3	Lots of vacant posts and discrepancy in teacher taught ratio	The demand for improving teacher-student ratio is fulfilled due to constant reminder to the Dept of higher education by the administration. There are 82 posts of teachers in our college out of which 72 are regular teachers & 11 vacant post have been filled by guest faculty.
4		Most of the students gave very positive feedback in student satisfaction survey on academics. Further improvement in Teaching – learning environment by using student centric methods and ICT enabled teaching is to be promoted.
5	Need for ICT enabled teaching learning modules as per feedback in student satisfaction survey on academics.	Improvement in Teaching – learning environment by using student centric methods and ICT enabled teaching is

		to be promoted.
6		The examiners suggested need of English language improvement of students during writing exams, the departments were instructed to train students for writing skills and notes making in proper English.
7		As per examiner's suggestion all the departments have instructed their students to prepare thoroughly for the exam so that they can attempt all the question in ABC pattern with good time management
	Counseling and motivational sessions for students for familiarization of new students and exposure to new environment, and better adjustment	Induction Program has been arranged as per UGC guidelines for all the newly admitted students and Special Counseling Programme are being arranged for weaker students, where all the senior professors & head of the departments interact with students, on how to write answers in examination in order to perform better. Students are familiarized with the facilities available in the institute and about discipline and anti ragging policies of the institute.
